### Apostrophes in Contractions Worksheet

A contraction is a shortened version of a written or spoken form of a word.

An apostrophe is used to form contractions.

Ex. it is- it's      he is- he's      they are- they're

**Directions:** Add an apostrophe to each pair of words below to form a contraction. Then, write a sentence with each contraction.

*Example A: she is*

*Answer: she's- She's a very reliable student.*

1. he will- \_\_\_\_\_
