**Practice comparing two descriptions**

**Big elephant**

**Small elephant**

There are two elephants from the same family. One is big, the other is small. One is grey, the other is brown. How can you tell the elephants are related? One is small, a grandpa and a grandpa is big.

**1) Match the animals!**

1) Chicken

Small | Big |

2) Horse

Big | Small |

3) Rabbit

Big | Small |

4) Giraffe

Big | Small |

**2) Write an adjective to describe the animals.**

**Small** \_\_\_\_\_

**Big** \_\_\_\_\_

**3) Describe:**

a) These small animals

b) These big animals
