

LESSON PLAN

Subject - English

Activity

1. Students will be able to read and write a summary about what they read.
2. Students will be able to summarize their notes on the parts of a book by writing a book.

Objectives (What will the students do?)

1. Give students to read a book, and they write a summary about what they read.
2. The teacher will ensure that the students understand parts of a book.
3. Give students to complete writing a summary of their book and their own ideas.
4. Give students to check their work and make the book about books.

Timing

1. Students will be able to read and write a summary about what they read.
2. Students will be able to summarize their notes on the parts of a book by writing a book.

Objectives (What will the students do?)

1. Give students to read a book, and they write a summary about what they read.
2. The teacher will ensure that the students understand parts of a book.
3. Give students to complete writing a summary of their book and their own ideas.
4. Give students to write a book and make the book about books.

Objectives (What will the students do?)

Timing

1. Give students to read a book, and they write a summary about what they read.
2. Students will be able to read and write a summary about what they read.
3. Students will be able to summarize their notes on the parts of a book by writing a book.

Objectives (What will the students do?)

1. Give students to read a book, and they write a summary about what they read.
2. The teacher will ensure that the students understand parts of a book.
3. Give students to write their own ideas, given a book page.

Objectives (What will the students do?)

Timing

1. Students will be able to read and write a summary about what they read.
2. Students will be able to summarize their notes on the parts of a book by writing a book.
