## The Bottom Line

Taking care of a zoo is not monkey business, but it is a business! Look at the line graph below. It shows the ticket sales over the past year for the Lion's Den and Paws & Claws zoos. Then answer the questions that follow.

Number of Tickets Sold Last Year

1. During which month were the most tickets sold at Lion's Den? \_\_\_\_\_
2. During which month were the least tickets sold at Paws & Claws? \_\_\_\_\_
3. Were an equal number of tickets sold at both zoos in any one month? \_\_\_\_\_
4. During which month did Lion's Den sell 115,000 tickets? \_\_\_\_\_
5. At Lion's Den, how many tickets were sold in August? \_\_\_\_\_
6. Between which two months did Lion's Den see the biggest increase in the number of tickets sold? \_\_\_\_\_ How much was the increase? \_\_\_\_\_
7. During September and October, how many total tickets were sold at Lion's Den? \_\_\_\_\_
8. How many more tickets were sold during April at Paws & Claws than at Lion's Den? \_\_\_\_\_
9. Which zoo sold more tickets in November? \_\_\_\_\_
10. During which months did Lion's Den sell more tickets than Paws & Claws? \_\_\_\_\_
11. Between which two months did Paws & Claws see the largest decrease in the number of tickets sold? \_\_\_\_\_
12. How many months did Lion's Den have ticket sales over \$80,000? \_\_\_\_\_  
 \_\_\_\_\_ Paws & Claws? \_\_\_\_\_

**Bonus Box:** What might be the reason why each zoo's sales are highest at different times of the year?
