

Name: _____

Producers and Consumers

Producers create products and services. Consumers use these products and services.

Directions: Read the situations below. Decide if they tell about a consumer or a producer. Are the producers and consumers dealing with goods or services? Or both?

Chef Brendan cooked 25 steak dinners for the church meeting.

Eranna knitted scarves to sell at the school bazaar.

Mrs. Cardinal purchased 25 boxes of crayons for the classroom.

Josie and Stan mow lawns in the neighborhood after school.

Carl went to the barber today to get his hair cut.

Dr. Petrovski bandaged the little girl's wounded arm.

The Yarn Barn has new purple sparkly yarn on their shelves.

John set up his lemonade stand at the end of his driveway.
