

In The Master of Don

Followed by

Course Plan

1) Think about:

the

process

and/or

The are going to read a reading passage related to the photos you have looked at the photos. Does it help you guess what the meaning of it is. Which situations are we interested in. Do you think is going to have you ever had it? What would be the best and the worst ways to manage it? Make it fun.

2) Reading:

As you read the passage, think about the main idea of the passage.
