

Airplanes Part 2 Lyrics

B.o.B ft Hayley Williams & Eminem

[Chorus - Hayley Williams]

Can we pretend that airplanes in the night sky are like shooting stars
I could really use a right now right now right now
Can we pretend that airplanes in the night sky are like shooting stars
I could really use a right now right now right now

[B.o.B - Verse 1]

(yo) Lets like it's 9:00
like I'm eating lunch off of styrofoam trays
trying to be the next rapper comin' out the A. (A-town)
Hoping for a to ignore my pain (yo)
now lets pretend like I'm on the stage
and when my beat drops everybody goes (wooh)
okay
and everybody know my name and everywhere I go people wanna hear
me sing (oh)
oh yeah and I just my new album on the first week I did
Five Hundred Thousand
gold in the spring and diamond in the fall and then a world tour just to top
it all off
and lets pretend like they called me the greatest selling out arenas with
big ass stages
and everybody loved me and no-one ever hated
lets try to use

[B.o.B - Verse 2]

Okay lets pretend like this never (never)
like I never had dreams of being a rapper (rapper)
like I didn't write raps up in all of my
like I never used to run away into the darkness
now lets pretend like it was all good (good) like I didn't live staring in a
notebook (notebook)
like I did the things that I probably knew I should (should)
but I ain't have neighbours that why they call it (hood yeah)
now lets pretend like I ain't got a name before they ever call me BOO aka
Bobby ray
I'm talking back before the mixtapes (yeah) before the videos and the
deals and the fame
before the ever once compared me to Andre before I ever got on
MySpace
before they ever noticed my face so lets just pretend and make wishes
out of

[Eminem]

alright lets pretend Marshall Mathers never picked up a pen
lets pretend things would have been
pretend he procrastinated had no motivation
pretend he just made excuses that were so paper thin they could blow
away with the wind
marshall you're never gonna make it makes no sense to play the
there ain't no way that you'll win
pretend he just stayed all day and played with his friends
pretend he ever had a friend to say was his friend
and it wasn't time to move and schools were changing again
he wasn't soccdy and just change as a kid
he had a father and his mother wasn't crazy as sh-t
and he never dreamed he could rip stadiums and just layz as sh-t
Ick a talent show in a gymnasium bch you won't amount to sh-t quik
..... And
you need to get your cunium checked you thinking like an alien it just
ain't realistic
now pretend they ain't just make him with this sh-t and there
was no one he could even aim when he's pissed it
and his alarm went off to wake him off but he didn't make it to the nap
Olympics sleep through his plane and live
he a god! have a hard time explaining to Hayley and Laney these food
stamps and this VNC sh-t
but he never risked shit he hopes and he wished it but it didn't fall in his
lap so he ain't even home
he that....
