

Name:

Math Practice: Line Plots (2.MD.9)

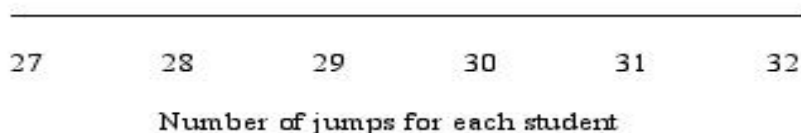

Wednesday

Directions: Read the story and answer questions about the line plot.

Mrs. Henderson is a P.E. teacher. She is trying to organize the data collected on Jump Rope for Heart Day. The students in one second grade class counted their number of jumps on a jump rope.

The list below shows each student's total number of jumps on a jump rope.

27, 32, 27, 31, 31, 31, 28, 29, 28, 28, 27, 31, 31, 32, 27, 32
--

Use the line plot to answer each question.

1. How many students jumped 31 times? _____
2. How many students jumped 27 times? _____
3. How many students jumped 30 times? _____
4. How many students jumped more than 30 times? _____
5. How many students are represented on the line plot? _____
