

Name: _____ Date: _____

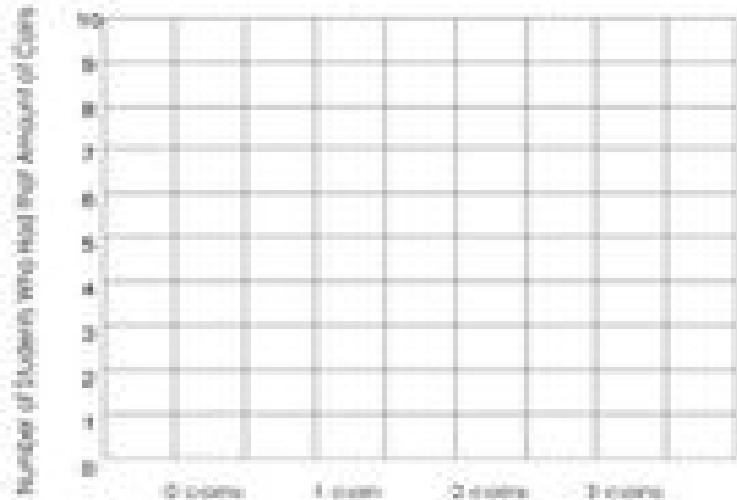

Jason surveyed his classmates. He found that most students had at least one coin in their backpack. Here are the results:

Number of Coins in Backpack	Number of Students
0 coins	3
1 coin	7
2 coins	4
3 coins	5

Make a bar graph to represent the data. Be sure to include:

- A title with a title and a what the graph represents.
- Bars that represent the data and are drawn next.

Title: _____

Amount of Coins Students Hold in their Backpack
