Fact Families

(Write your own fact families!)

A house-shaped template for writing fact families. The roof is a triangle, and the body is a rectangle. On the left side of the rectangle, there are four small plus signs (+) and four minus signs (-) arranged vertically. Inside the rectangle, there are four rows of math problems. Each row contains a plus sign (+) and a minus sign (-) separated by a plus sign (+). The numbers are represented by dashed lines: $\text{---} + \text{---} = \text{---}$ and $\text{---} - \text{---} = \text{---}$.
