

INTRODUCE YOURSELF

Hello, my name is Mercedes, I am from Seville and I love this city

I live in a small flat with my husband and my little dog. I am an English teacher and this year I am working in a great High School in Parque Alcosa, Pablo Picasso. I am really fond of my job because I love languages and especially English and it is a pleasure for me to teach it.

I have been in England several times and I hope you will give me the opportunity to share that experience with all of you

Write a short paragraph answering these questions
