Prayer/Word   Values   Dreams   Mission   Goals   Strategies   Action   Review/Adjust

**Directions:** Get alone and prayerfully consider the following questions and write them down on your journal or some paper. As a Christian your values should match the values found in the Bible, thus the things valuable to God are valuable to you. Remember that your mission and values are unique to you, God has a specific plan for your life. The examples provided are only given for illustrative purposes. This may take several days to complete.

**I. Step One: Prepare a list of what you value most, your highest priorities in life. (Clarify What's Important) Remember all aspects of life: Mental, Physical, Emotional, Social, and Spiritual. Then prioritize them where possible. Conscientiously choose the sources for your values, the world or the WORD OF GOD. Where possible write a bible text(s) next to your value. There are many good things, but what is the best, what is most important.**

**Examples:** 1. To Walk with God Micah 6:8. 2. Self Improvement-Order Personal Life 3. Family Ex. 20:12. 4. Strict Integrity 5. Boundaries/Limits 6. Stewardship 7. Excel at My Work
