

Subject / Verb Agreement Worksheet 3

Directions: Underline the correct verb in parenthesis. If the subject is a noun rather than a pronoun, you may need to substitute the pronoun subject in order to see if you have chosen the correct verb, i. e. use "they" in place of a plural noun such as "people," or a noun phrase such as "all of the children" and "he," "she," or "it" in place of a singular noun. EXAMPLES: The cow and the horse (eat, eats) hay every night. "They" eat hay every night. John (do, does) his homework after school. "He" does his homework after school.
