

Test on seasons of the year

Seasons

A. Read the passage and then answer the questions that follow.

Seasons

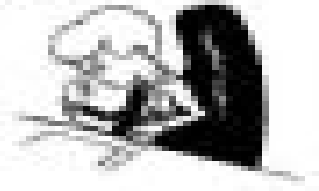

Spring, summer, winter and autumn are the four seasons of the year.

All the seasons are beautiful, but my favourite season is summer. Sometimes people often saying that it is the hottest season of the year. The weather is good and the sun shines every day. It's never cloudy or rainy and it never rains in summer. Sometimes it's windy, but the weather usually warm. The days are long and very hot. The nights are warm and the sleep are clean and full of stars. The sun is always in

summer, but the clouds in the morning and later in the afternoon. People wear light clothes and spend most of their time outdoors.

In summer, we always take a holiday. People go to different places for their holiday, but many prefer spend it in the sea. Everybody has a nice time in summer and a good rest too.
