

Name : _____ Score : _____

Teacher : _____ Date : _____

Solving Systems of Equations by Substitution

43

The image shows a dark-themed digital workspace, likely a math application or a digital whiteboard. It contains several mathematical expressions and a QR code. On the left, there is a partial expression $\sqrt{11}$. In the center, there is a blue expression: $5) -4\sqrt{63} (5\sqrt{48} + \sqrt{8})$. On the right, there is another blue expression: $10) (-\sqrt{7} + \sqrt{11})(-\sqrt{7}$. At the bottom left, there is a QR code and the text "is.Com". At the bottom right, there is a logo with the text "Mathv".
