

# My ABC!

1. I like to eat fish. I need your help! Fill in my basket with the missing letters, and I will be happy again.

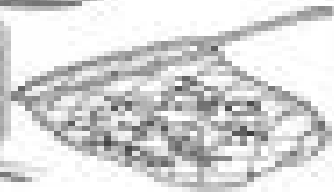

2. How many bananas can you see? Count them and write the letters in the gaps.

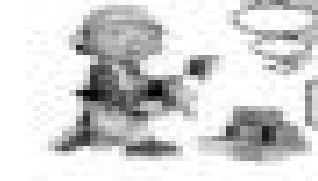

3. Colour the apples with words that start with 'A'. There are only red apples in the basket. What letters do you have to write in these apples?

4. Write the letters that this caterpillar caught? Write them in the box.

5. Will I see both? This butterfly help me to find it! Write what you see in the gaps, and fill in the gaps between with the correct letters.
