

Adele - Set Fire to the Rain

1) Listen to the first part of the song and circle the right option

I let it fall, my heart
 And as it (fell / fern), you rose to claim it
 It was (black / dark) and I was over
 Until you kissed my lips and you (said / saved) me
 My hands, they're strong
 But my knees were far too (weak / went)
 To stand in your (halls / arms)
 Without falling to your feet

2) Listen and write the missing words:

But there's a side to you that I never _____, never _____
 All the things you'd say, they were never _____, never _____
 And the games you _____, you would always win, always win

3) Listen and correct the underlined words

But I set fire to the gait _____
 Watched it pour as I touched your face
 Let it burn while I cried _____
 'Cause I hart _____, it screaming out your name, your name

4) Listen and reorder the lines

- Close my eyes
- When lying with you
- I could stay there,
- You and me together, nothing is better
- Feel you here, forever

'Cause there's a side to you that I never know, never know
 All the things you'd say, they were never true, never true
 And the games you'd play, you would always win, always win

But I set fire to the rain
 Watched it pour as I touched your face
 Let it burn while I cried
 'Cause I heard it screaming out your name, your name

I set fire to the rain
 And I threw us into the flames
 Where I felt somethin' die, 'cause I know that
 That was the last time, the last time

Sometimes I wake up by the door
 Now that you've gone, must be waiting for you
 Even now when it's already over
 I can't help myself from looking for you

I set fire to the rain
 Watched it pour as I touched your face
 Let it burn while I cried
 'Cause I heard it screaming out your name, your name

I set fire to the rain
 And I threw us into the flames
 Where I felt somethin' die
 'Cause I know that that was the last time, the last time, oh
