Name: \_\_\_\_\_

**Directions:** Carefully READ all of the questions before doing anything. You are to do all of your work in ONE, ONE-WIT SHOT! Do NOT SHARE any information or answers with anyone.

### You may begin now!!

1. Write today's date—month-day-year in the top-right hand corner of your paper.
2. Write the answer to the following multiplication problem directly underneath the date on your test paper— $6 \times 5 = ?$
3. Write your complete name in the top-left hand corner of your paper. (First, Middle, and Last name)
4. Add 13 to the answer you got in part #2, and write this new total directly underneath your answer for part #2.
5. In the lower-left hand corner of your paper, write the name of your favorite singer, your favorite music group, or favorite song.
6. Just above your answer to part #3, write "This paper is very easy."
7. In the lower-right hand corner of your paper, draw a rectangle and inside the rectangle draw a five-pointed star. The size of these drawings is not important.
8. Directly above your answer to part #7, draw a row of three small circles. Once again, size is not important.
