

"Animal Countdown"

	BLACK RHINO	PANDA	
a			They live in forests
b			They only eat plants
c			There are only about 1000 left
d			Conservation groups help them
e			People cut down their food
f			They are endangered because of hunters
g			People think they are going to die out.

1. Look at the picture. **What** animals are we going to discuss?

2. Listen to the interview and tick the **RHINO** for black rhino and **PANDA** for giant panda or **BOTH** BOTH.

3. After listening: Discuss the questions in pairs.

PUPIL 1

1. Where does the panda live?
2. The pandas eat only plants, don't they?
3. Are there only about 1000 pandas left?
4. Why are the pandas endangered?
5. How can we help pandas?

4. Discuss answers with your partner.

5. Compare animals: **What** do they have in common?

What are the differences between them?
