

Teacher Notes

Christmas is a magical time in any classroom, but it is the time of year I always look forward to most, being the end of the school year in Australia gives it extra significance!

The following activities are a collection of different numeracy activities my classes have loved over the years, I hope yours do too!

Included:

Christmas Sweater Patterns
Christmas Sweater Patterns – Area
Christmas Garland Patterns
Christmas Bauble Symmetry
Christmas Present Stacking (#D views)
Christmas Present Stacking (Pentominoes)
Christmas Present Numbering
Christmas Helper Counting
Christmas Holiday Break
Christmas Wrapping Paper Design
Christmas Workshop Design
Christmas Bauble Packaging
Christmas Spending Money and
Christmas Currency Design.
