

Name: _____

MONTHS OF THE YEAR

- There are 12 months of the year in this order:

1. January
2. February
3. March
4. April
5. May
6. June
7. July
8. August
9. September
10. October
11. November
12. December

- Say the months of the year.
- Circle the month that comes first with a green crayon.
- Put a yellow line under your birthday month.
- Put a red X under July month.
- Put an orange square around the month it is now.
- There is one way to remember how many days are in each month:

30 days have September,
April, June, and November,
31 days has August, **10**,
December, February - all other
months have **28**, or **29**.

Name the months that have

31 days: _____
