

## Instructor Peer Review Worksheet

This worksheet is offered only as a guideline for providing feedback to your fellow Mini Course Instructor. It will hopefully prompt you to a few of the things that can help create a positive learning experience for course participants. Please use the Worksheet in whatever fashion you choose. It can be a place for your notes. You can share it with the Instructor you are reviewing, or not. **In providing feedback remember that you only serving as a consultant to the Instructor. Provide both positive and constructive feedback. It is the Instructor's prerogative to use or not use the feedback you provide. Talk with the Instructor on how and when they would like to receive your input.**

Instructor	Course Title
<b>Course Opening/Welcome Introductions</b>
