

does it sink or float???

Order the household items listed below. Guess whether the item will sink or float by putting a check mark in either column. Ask a grownup to fill up a large container with water. Put each item in the water and record your results.

Items	Float	Sink	Did you guess correctly?
Pencil			
Magnet			
Egg carton			
Flower			
Wooden block			
Crayon			
Rubber ball			
Plastic spoon			
Metal spoon			
Plastic container
