Common Preposition Worksheet

A preposition is a word that shows position or direction or introduces a prepositional phrase.

Common prepositions: (across, in, under, around, beneath, around, at, over etc..)

Directions: Circle the preposition that best completes each sentence.

Example A: I went (aboard / across) the cruise ship just in time.

Answer: aboard

1. My mom looked (beyond / after) me when I was young.
2. I sat (over / between) my two best friends at the assembly.
3. Someone tapped my shoulder, so I looked (past / behind) me.
4. My father had to crawl (about / under) the house to look for the raccoon.
5. I leaned (against / down) the wall because my legs were hurting.
6. I ran (round / towards) the light because I was scared.
7. (Around / Before) the ceremony starts, we must all say a prayer.
8. John looked (along / across) the lake at the houses on the other side.
9. Since I am tall, I can see (under / over) many people in the audience.
10. I went (above / to) school early in the morning.
11. My brother pointed (down / up) towards the sky at the bird.
12. (Before / After) we finish eating, we will go watch a play.
13. I walked (above / past) the creepy house on the street.
14. You are (except / among) some of my best friends.
