Draw affix processes next to the end of affixation compounds. Remember, affixation works like this!

The first affix process never 1 prefixes, "lloviz" and "llover"

The first affix process, etc.

llover → llovizna	llover → llovizna
llover → llovizna	llover → llovizna
llover → llovizna	llover → llovizna

When you add the first affix to the verb, you have to add an accent mark. The number the syllable of the word, and mark the accent mark on the "r" in the last syllable.
