

NAME: _____ PERIOD: _____

Calculating Atomic Mass & Number and Numbers of Protons, Electrons & Neutrons

Use the Periodic Table on pages 132-133 to fill in the blanks in the following table.

Element	Element Symbol	Atomic Mass	Atomic Number	# of Protons	# of Electrons	# of Neutrons
Chlorine						
Nitrogen						
Sodium						
Iodine						
Tellurium						
Barium						
Iron						
Neon						
Beryllium						
Oxygen						
Rubidium						
Sulfur						
Arsenic						
Potassium
