HUNDREDS CHART
WINDOW WORKSHEET

MATERIALS REQUIRED

- Lead pencil, eraser.
- Hundred board window worksheet to write on (this sheet)
- Three hundreds board windows: window 1 ⇨ orange, window 2 ⇨ blue, window 3 ⇨ green.

INSTRUCTIONS

- This activity requires you to complete the hundreds board by writing in all the missing numbers using all 3 windows.
- For *each* window:
  - ↻ place it on the blank hundreds board then write the missing numbers on the board.
  - ↻ then rotate (spin) your window 90º (to the next edge) and write the missing numbers on the board again.
  - ↻ keep rotating the window and writing the missing numbers on the board until you have used all 4 edges at the top.
- After you have used all 3 windows . . . your hundreds board should be complete!

ACTIVITIES - Circle which hundreds board your teacher wants *you* to complete.

1 - 100 0.1 - 10 0.01 - 1
