

IDENTIFYING IDEAS

Directions: Match each idiom to its meaning.

Don't add fuel to the fire	It's good to save money, rather than spending it and wasting it.
A penny saved is a penny earned	something is imagined; not real
around the clock	Don't make a bad situation even worse.
a picture is worth a thousand words	Pictures can give more information than just words
it's all in your head	all of the time; 24 hours
absence makes the heart grow fonder	Being away from someone you love makes your love
