

Hi! The answer is there but not the numbers to make the answer! They are all pairs of division questions.

Try to use different numbers for each pair.

1.  $\square \div \bigcirc = 2$

2.  $\square \div \bigcirc = 2$

3.  $\square \div \bigcirc = 4$

4.  $\square \div \bigcirc = 4$

5.  $\square \div \bigcirc = 5$

6.  $\square \div \bigcirc = 5$

7.  $\square \div \bigcirc = 1$

8.  $\square \div \bigcirc = 1$

9.  $\square \div \bigcirc = 6$

10.  $\square \div \bigcirc = 6$

11.  $\square \div \bigcirc = 10$

12.  $\square \div \bigcirc = 10$
