Nouns & Family Relationships

Read the Passage below then answer the questions that follow.

My Family

My name is James. I live in Kingsport, St. Vincent with my parents, David and Ann King. My father is a pilot. The three places there are named in honour of the Caribbees. My mother is a florist who sells the flowers she grows in her garden. I have a little sister, her name is Pam. Pam and I have a dog whose name is Coco. We like her very much because he is playful and smart.

I am very excited because next weekend the whole family will be travelling to Antigua to spend a week on my Uncle Tony's farm in the country. We will go, so next week there will be Uncle Tony's, his wife, Cathy, and their sons, John, Paul and daughter, Michelle. We will also get to stay with my grandfather, Tony, grandmother, Tasha, they live on Uncle Tony's farm.

Uncle Tony has a lot of animals on his farm. He has cows, goats, sheep, chickens, horses, donkeys and bulls on his farm. Around his house he has pet cats and dogs. Uncle Tony says that the animals are very useful. He says that they give us food, help us carry heavy loads, and protect our houses. He is these days all animals are for very useful.

Now use the passage to help you do a Nouns search and fill the answers to the questions below.
