

Name: _____ Section: _____ Date: _____

As you read the story, write each main event in SEQUENTIAL ORDER.

Place one event in each box.

The form is a graphic organizer for sequencing events. It consists of two vertical columns of six rectangular boxes each. Downward-pointing arrows connect the boxes in each column. A central vertical line with upward-pointing arrows connects the two columns. A curved arrow at the top right points from the top of the right column to the top of the left column, and a curved arrow at the bottom left points from the bottom of the left column to the bottom of the right column, indicating a circular flow of events.
