# FOLLOW THE DIRECTIONS

1. Color the cat
2. Color the butterflies
3. Circle the bees
4. Count the number of dogs and write the number at the bottom

A large rounded rectangle containing a cat, three butterflies, two bees, and four dogs. The cat is in the center, facing left. There are three butterflies: one on the left, one at the top center, and one on the right. There are two bees: one on the left and one on the right. At the bottom left, there are four small dogs, each wearing a bow tie. To the right of the dogs is a blank line followed by the word "dogs.".

\_\_\_\_\_ dogs.
