

Name: _____

Days of Creation

In the circles below, draw a picture of what God created on that day.
Make your drawing as elaborate or as simple as you want.

On day 7 God did this... _____

Thought Question

Look at the arrows above and think about how the days match. Day 1 is light and darkness; day 4 is sun, moon and stars to control light and darkness. How do days 2 and 5 work together? How do days 3 and 6 work together?
