

## Learning Styles Overview

### VISUAL

Visual learners make up 65% of the population. They tend to be neat and tidy, excellent spellers and quick to read charts. Visual learners also tend to be the fastest talkers.

### AUDITORY

Auditory learners make up 30% of the population. If you're an auditory learner information comes in best through your ears, from speeches, presentations or audio books. You have a knack for foreign languages and benefit from study groups.

### KINESTHETIC

Kinesthetic make up just 5% of the population. They are primarily male and love anything hands-on. These learners are often skilled athletes or musicians and are drawn to construction projects, science experiments and field trips.
