

MAKE YOUR MAP

1 Draw your house in the middle of the paper

2 Draw your road and add any roads that come off it

3 Add 3 landmarks that are near your house

This could be a park, or a shop or even your favourite tree.

4 Add some animals
Do you have a pet? Or are there birds and squirrels outside?

5 Add some people
Draw yourself or maybe a neighbour. What about the postman or shopkeeper?

6 Add a Compass
Work out which way is North. You can do this with a compass or think of where the sun rises. This is East!

7 Fill the gaps
If you have any blank space you can fill this with trees or clouds.
