Identification Of Capital Letters

Help Helen cross the river to reach her chick!
Join all the Hs

A river crossing puzzle. On the left bank, there is a white hen with a red comb and a yellow beak, holding a yellow chick. On the right bank, there is a yellow chick with a red comb and a yellow beak. The river is represented by two black lines forming a winding path. In the middle of the river, there are 15 heart-shaped tiles, each containing a capital letter. The letters are: H, A, C, H, E, G, D, F, B, H, D, A, C, H, B, A. The goal is to identify and connect all the 'H' tiles to help the hen cross the river to reach her chick.
