

action - The E. I.
will be at home & at
times & is going on to
Perham - I should like
to see him when he is -
There are in fact a
interesting politics -
The work & his May
has trouble as our

hand - at any rate
You are better acquainted
than any one else with
western politics & I'd
like to hear your views
on it -

Judson was at
L.C.M. & Kilde & there is
a railway now from
Calcutta to Probsthagen
which he is a few
