

Reading comprehension.

My name is Carol Robinson. I am English, but I live in New York. It is a very big city in America. I am fourteen years old and I am a student in class nine. I speak two languages: English and Spanish. My favourite subject is Maths and my favourite sport is volleyball.

I like my classmates. They are very nice to me, but Nancy is my best friend. She is a very good student. She likes Computer Studies, but she sometimes also plays computer games.

I have two brothers and two sisters. My father works in a bank and my mother works in a school. I love my family very much. At the weekends, we go to the cinema together.

Complete the following table.
