

Name: _____

Math Practice: Understand place value (2.NBT.4)

Wednesday

Draw the Base 10 blocks to represent each number. Then compare using $>$, $<$, $=$.

467	○	476
-----	---	-----

233	○	257
-----	---	-----

Compare the numbers. Use $>$, $<$, $=$ to fill in the blank.

342 _____ $400 + 10 + 4$

$20 + 10$ _____ $300 + 5$

$300 + 50 + 5$ _____ 355

603 _____ $600 + 3$

600 _____ 800

$500 + 10 + 3$ _____ $500 + 10$

$500 + 30 + 2$ _____ 352

431 _____ 758

403 _____ $500 - 100$

$500 + 70 + 9$ _____ $500 + 80 + 1$

Review (2.NBT.2) Skip Counting by 5, 10, 100

What are 4 numbers you would say if you skip counted by 10s and started with 341?

What are 4 numbers you would say if you skip counted by 5s and started with 35?

What are 4 numbers you would say if you skip counted by 100s and started with 510?

Review (2.NBT.2) Skip Counting: Complete the number pattern. Write the rule.
