

## QUESTIONNAIRE ON THE EFFECTS OF THE COVID-19 PANDEMIC ON THE WELL-BEING OF THE POPULATION

### Introduction

The COVID-19 pandemic has had a significant impact on the lives of people around the world. The purpose of this questionnaire is to collect information on the effects of the pandemic on the well-being of the population. The questionnaire is divided into several sections, each focusing on a different aspect of well-being. The results of this questionnaire will be used to inform public health policy and to provide support to those who are most affected by the pandemic.

Thank you for your participation in this survey. Your responses are confidential and will be used for research purposes only.
