## Subject and Object Pronouns

A pronoun is a word that takes the place of a noun.

he she it they us them him her I me we

Example:

Carmen went to the grocery store. Carmen walked to the bank.

To make the 2<sup>nd</sup> sentence better, change the noun into a pronoun.

Carmen went to the grocery store. She walked to the bank.

The pronoun *she* takes the place of the noun *Carmen*.

Write the pronoun that can take the place of the underlined word or words.
