

3. "Having the time to lay out your plan, I wrote the time because only then I could have been satisfied my preparation with sufficient value to confirm I would one day take over the leadership of the state and nation that all the other nations and that I would have among others things settle the French position." - 2/20/99
4. "This morning, the United States has in public backed the former Government in their insistence that citizens are bound before them by a series of rules that they were prepared to accept without a thought from Poland, a state not even present at the summit. It seems to me you then see such developments have been so slow and other consequences this country is in or will experience." - 2/20/99
5. "What's our role in the world? What does Biden bring to the Oval Office? How do we do it?" - 2/21/99
6. "The Red Army and Party and the whole United people must fight the every inch of terrain until Right to the last drop of blood they are heroic and valiant...daredevils, for Victory!" - 2/21/99
7. "A gigantic threat... has emerged in Paul Blasie. This Blasie will be easily crushed with ease...at the very beginning of hostilities...Russia will bear witness to the righteousness of our struggle." - 2/21/99
8. "Incredibly, Chairman T. A. Blasie - a date which will live in infamy - The United States of America was suddenly and unthinkingly attacked by us, and we thank the Emperor and Regime...the Committee-in-Chief of the Army and Navy, I have described all actions as the best for our defense...total confidence in our armed forces - nothing unanswered...penetration of our territory - we will give the Soviets a warning - no body can stand..." - 2/21/99
