

Career Research Questions

Directions: Using one of the selected books from the library, answer the following questions on your own sheet of paper. Remember to write your name, date, and period on the page.

1. Name one career from this source that you find interesting. Why does this career sound interesting to you?
2. List 5 job responsibilities of a person who holds this career.
3. List 5 personality traits, talents, or skills that a person must possess in order to be successful in this career.
4. What type of education or training is required to have this job?
5. What is the salary range for a person who holds this job? Are there other perks such as bonuses?

Using the questions you answered above as a guide, write a short essay (3 paragraphs) on this career and how it relates to your skills, interests, etc. Do you think this career would be a good choice for you? Why or why not? Are you prepared to make the sacrifices needed to gain employment? What things can you do now to prepare for a career in that field? What life experiences, academic skills, or training do you need in order to be successful in this career?
