

Name _____

Comparative and Superlative Adjectives

Identify nouns in sentences.

Comparative adjectives compare two things by adding *-er* to the adjective or by using the word *more*.

Superlative adjectives compare three or more things by adding *-est* or by using the word *most*.

In each sentence, underline the adjective that compares.

1. Emily is older than her brother Jack.
2. That was the loudest thunderstorm of the entire summer.
3. Oreo is the fattest cat that I have ever seen.
4. Grandpa is quieter than Grandma.
5. The roof of the house is higher than the top of the garage.
6. The kitten's fur was softer than lamb's wool.
7. Sandy pointed to the brightest light in the sky.

Write the correct adjective from the parentheses on the line above.

8. We went swimming on the _____ day in July.
(hotter, hottest)
9. Today is _____ than last Wednesday.
(warmer, warmest)
10. Is it _____ by the water or on the mountains?
(colder, coldest)
11. That is the _____ building on the street.
(taller, tallest)
12. Cara's hair is _____ than Jane's.
(longer, longest)
13. Of my three friends, Jeremy is the _____.
(friendlier, friendliest)
