

# SMURFS TIME

Help the Smurfs match and colour the clocks.

- |                               |                                |
|-------------------------------|--------------------------------|
| 1. A quarter past two o'clock | 4. A quarter past five o'clock |
| 2. Three o'clock exactly      | 5. Half past twelve o'clock    |
| 3. Half past seven o'clock    | 6. A quarter to two o'clock    |
| 4. A quarter to eight o'clock | 7. A quarter to eleven o'clock |
| 5. Six o'clock exactly        | 8. Half past ten o'clock       |

## ONE & FIFTE

Put a Smurf in a partner. Cut the hands and arrange them on the clock. Make sure your partner can't see your partner. Tell your partner what time it is. Compare your partner's time with yours.
