# MASQUE OF THE RED DEATH

Name: \_\_\_\_\_

Date: \_\_\_\_\_

Thematic idea is some dimension of the human condition examined by a work.  
Theme is a statement, direct or implied, about how the author's vision of  
the human condition is revealed.

The thematic idea I will explore in this dialectical journal is Fear.  
All of the quotations from the story and the commentary that I write  
should be linked to this thematic idea
