Find someone...

Who lived into the 21st century?	Who never did not die in childhood?	Who never finished the Olympic athletic program?
Who lived in a country with a large population?	Who lived in a country with a large population?	Who lived in a country with a large population?
Who lived in a country with a large population?	Who lived in a country with a large population?	Who lived in a country with a large population?
Who lived in a country with a large population?	Who lived in a country with a large population?	Who lived in a country with a large population?

Remember:

- To include the name and example in each box.
- No-one's name can be on the sheet more than once.
