

Name: _____

Expanding Sentences

Create 2 sentences. First pick an animal. Name 1 of its body parts. Next list 2 ways it can move or what it can do. Write the words in the boxes.
Create a sentence using the name of the body parts. Then write a 2nd sentence telling how the animal moves or what it can do. Draw a picture to go with the sentence.

animal

duck

① body
parts

wings feet

② can
do

fly swim

Ducks have wings
and feet. They can
fly and swim.
