

# Mixed Metaphors

We'll burn that bridge  
when we come to it

Trying to thread  
a needle with a  
haystack

Robbing  
Peter to pay  
the piper

Half of one,  
six dozen  
of another

Burning the  
midnight oil  
at both ends

It's not exactly  
rocket surgery

Don't beat a dead  
horse in the mouth
