

Wash and Dry

What features make the directions on this sign easy to follow?

1 Welcome to *Lucy's Do-it-Yourself Laundry!* Wash and dry your
2 things in our clean and modern facility. All it takes are some quarters,
3 laundry soap, and your dirty clothes. Follow these simple steps.

4 **WASH**

5 1. Sort laundry by color. Put whites and lights into
6 one load, and darks into another load.
7 2. Open the washing machines and put in your
8 dirty items.
9 3. Add soap to each machine. Don't use too much!
10 4. Select the correct temperature setting for each
11 load. Choose hot or warm for whites and lights.
12 Choose cold for dark colors or delicate items.
13 5. Shut the door tightly. Insert quarters into the coin slot.
14 6. Press **START**. A complete cycle takes about 30 minutes.
15 7. When the washer stops, remove **ALL** items from the
16 machine.

17 **DRY**

18 1. Put items in the dryer. Add fabric softener sheets,
19 if you wish.
20 2. Select the correct temperature setting for each load.
21 Consider the size of the load and the types of fabrics
22 it includes.
23 3. Shut the door tightly. Insert quarters into the
24 coin slot. Press **START**.
25 4. When the dryer stops, remove **ALL** items from the
26 machine. Or, add more quarters as needed for
27 additional drying time.
